

Grade 8 Science

Unit 1: "Water Systems on Earth"

Terms to Know:

Hydrosphere: _____

Lithosphere: _____

Armosphere: _____

Water Cycle: _____

Salinity: _____

Density: _____

Freezing Point: _____

Drainage Basin: _____

Ground Water: _____

Glaciers: _____

Global Warming: _____

Ice Age: _____

Continental Drift: _____

Erosion: _____

Continental Shelf: _____

Continental Slope: _____

Abyssal Plain: _____

Mid-Ocean Ridge: _____

Ocean Current: _____

Wave: _____

Wavelength: _____

Wave Height: _____

Crest: _____

Trough: _____

Tsunami: _____

Tide: _____

Spring Tide: _____

Neap Tide: _____

Heat Capacity: _____

Convection: _____

El Niño: _____

La Niña: _____

Aquaculture: _____
